

## Little Boxes

Malvina Reynolds

Little boxes on the hillside, little boxes made of ticky-tacky  
Little boxes on the hillside, little boxes all the same  
There's a pink one and a green one, a blue one and a yellow one  
And they're all made out of ticky-tacky, and they all look just the same

And the people in the houses all went to the university  
Where they were put in boxes and they came out all the same  
There's doctors and lawyers and business executives  
And they're all made out of ticky-tacky and they all look just the same

And they all play on the golf course and drink their martinis dry  
And they all have pretty children and the children go to school  
And the children go to summer camp and then to the university  
Where they are put in boxes and they come out all the same

And the boys go into business and marry and raise a family  
In boxes made of ticky-tacky and they all look just the same  
There's a pink one and a green one, a blue one and a yellow one  
And they're all made out of ticky-tacky and they all look just the same
