

My, My, My

Running time: 3:15

From the album "Something To Fall Back On" by Berkley Hart
Written by Dave Howard, Jeff Berkley & Calman Hart

My, my, my
When did the time go by
Did I blink my eye
My, my, my

Yes, yes, yes
Forgive my thoughtlessness
I'm only human I guess
Yes, yes, yes

Sad, sadness in your eyes
Took me by surprise
Where was I...

Hey, hey, hey
The joy you bring my way
Baby, don't take that away
Hey, hey, hey

Where, where did I go wrong
How can I be strong
If you're gone...

Know, know, know
Know this before you go
Baby, I love you so
Know, know, know
